They are at home, and any one who has doubts can is uire of the person who have been cured by it. DR. KEYSER IS PREPARED AT ANY TIME TO EXAMINE LUNGS WITHOUT CHARGE, FOR ALI THOSE WHO NEED HIS MEDICINES.

ATTEND TO YOUR COLDS -A case of five pears' sanding oured by DR. KEYSER'S PROTOBAL SYRUP.

Da. Havam:—My wife has been afflicted with a bad cough and difficulty of breathing, for five or six years, which, for several years back, had gradually increased in violence. The complaint has been hereditary, and she had been treated by several physicians without any relief. In this state of her case, I procured some of your Pectoral Gough Syrup. I bought, the first time, a fifty cont bottle, which relieved her very much; I then called and got a dollar bottle, which cured her entirely, and she has now no trace of the former disease, except weakness. I would also state that I used the medicine myself to a cold and cough. The medicine cured me by taking one dose I express my entire satisfaction with the medicine, and you are at liberty to publish this if you desire to do so.

Alderman Fifth Ward.

Privaturan, Nov. 18, 1838,
Dr. Krysen:—Aithough not an advocate of Patent
Medicines, in general, it affords me pleasure indescriba
ble to recommend your Pectoral Syrup. As a medicine
it is well worthy the attention of any person who may in
any manner be afflicted with coughs, colds and hoarseness
of any hind, and for the peculiar qualifications for removing all that disagreemble sensation attending a severe cold.

vere cold.

I have been, more or less, in my life, affected with the severest of colds and houseness. At times my throat would become so closed as to prevent my speaking above a whisper, and by taking a few does of the above Byrup it would relieve me entirely.

In recommending this medicine, I must unheattatingly say that it is the best remedy I ever found, purporting to care the above, nor should any family be without this remedy for diseases so prevalent.

Yours, most respectfully,
EDWARD J. JONES,
Cashier Citizens' Deposit Back.

COL. PRATT AND DR KEYSER'S PROTORAL SYRUP.—Dr. Keyser.—Dear Sir. Excuse the delay of my saknowledging the excellence of your Pectoral Cough Syrup sconer. I take great pleasure in saying that it is all you say it is. It knocked the noise out of my cough and the worst one I was ever afflicted with: I have not used more than one-half of the bottle, and I can and do wish that all who are afflicted would give it as fair a trial as I have done, and they will be proud to say, "It is no quack medicine." I would not suffer another such an attack for any consideration, or at any cost. I am confident I can breathe more treely than I ever did. I shall always acknowledge a debt of gratitude for inventing so excellents, a remedy. You are at liberty to use my name in this regard, as you think proper E. F. PRATT.

READ THE TRUTH.—Da. Kryss: I have a daughter who has taken several medicines for a bad cough without benefit—among them Ayer's Cherry Pectoral—I purchased from you a bottle of your PECTORAL SYRUP, and before she had used half a bottle she was relieved. The second bottle cured her entirely of her cough.

A GREAT CURE BY DE, KEYSHE'S PECTORAL SYRUP.—I live in Peebles township, Allegheny county. I had a coughing and spitting, which commenced asout the 4th of February last, and continued eight months. I employed the best physicians in the country, and my cough continued unalysicians in the coupling and spitting. I had despaired of ever getting well, and I think it should be known that this valuable resuedy will do for others what t has done in my case. Witness—B. M. Knar.

A WONDERFUL CURB.—Some time ago, an old neighbor of mine was very ill with a bad cough which every one supposed to be consumption. His relative told me that he had taken every remedy they heard of without benefit; his brother came to see him die, and all were confirmed in the belief that he could not live. I had about the third of a bottle of your Peeteral Syrap, which I gave him, and it entirely cured him, to the astonwhich I gave him, and it entirely cured him, to the asto shment of all. "STOP THAT COUGHING."—'How can I do it?" "Go to Keyser's on Wood street and get a hottle of his Cough Pectoral; and if that don't cure you, your case must be desperate indeed." This is a specimen of the colloquy one hears almost every day in cold tatching periods of the year. And we can, from schual experiment, cheerfully concur in the adviser's admonition as above, for we have tried the "Pectoral," in a most stubtorn case, with entire success. Near two weeks ago we went to Pittsburgh, with one of the most distributing, contrary, muliah, unsubduable coughs we ever experisanced since our advent upon this mundane sphere. We congled steadily and laboriously for one whole week, in hopes of tiring it out, but it was no go. In fact it seemed rather to have improved by practice, and to have acquired strength, potency and distressibility by the operation. In this stage of the singe, we con thed our way to Keyser's, 140 Wood St.—procured a fifty cent bottle of the "Pectoral;" book it according to directions, and in forty-eight hours we were master of the field, the enemy having unconditionally surrendered, after a brief but anequal conflict with so formidable an adversary as Keyser's famous "Cough Pectoral."—Droiensville Chipper, Dec. 14, 1859.

Battle Creek, Mish., Dec. 21st, 1858.

Prov. Wood: These wilt please accept a line to inform thee that the hair on my head all fell off over twenty years ago, caused by a complicated chronic disease, at tended with an eruption on the head. A continual course of suffering through life having reduced me to a state of dependence, I have not been able to obtain staff for caps. Beither have I been able to do them up, in consequence of which my head has suffered extremely from cold. This induced me to pay firings & Hodgus almost the last cent I had on earth for a two dollar bottle of thy Hair Restorative, about the first of August hast. I have faithfully followed the directions, and the baid spot is now govered with hair thick and black, though short, it is also coming in all over my head. I at once made application to the most skillful physicians in the country, but, receiving no assurance from them that my hair would erasin be restored, I was forced to become reconciled to my fate, until, fortunately, in the latter part of the year 1-87, your Restorative was recommended to me by a druggist, as being the most reliable Hair Restorative in use. I tried one bottle, and found to my great satisfaction that it was producing the desired effect. Since that time, I have used seven dellars worth of your Restorative, and as a result, have a rich coat of very soft black hair, which no money can buy.
